This is truly a unique event venue in the Winchester / Shenandoah Valley area. Our food was delicious and the selection of craft beers on tap was great. I would highly recommend it to anyone looking for a different, modern, and fun event facility.

We chose to have our wedding ceremony and reception in the Bright Box Theater's [Out of the Box] Room and we couldn't be happier with how everything turned out! From start to finish, the event was a big success and our guests truly enjoyed every minute of it.
